President's Update

Kia ora APODC whanau,

We cannot believe that Christmas is only a few days away and 2023 is just around the corner.

It's a wonderful feeling to be able to look back at 2022 and feel so grateful to be part of Auckland Parents of Deaf Children. Having the opportunity to get so many of our families together over the year at a range of events has been really special. Being able to connect with you in person reminds us all how important it is to build and nurture our APODC community.

Thank you to all of you that have engaged with us through our parties, family days, youth events, APODC Connect education sessions, joint events with our fantastic partner organisations or simply through our chats with our new members. Thank you for your continued support and for being part of our APODC whanau.

We wish you a very meri kirihimete and a happy new year! We look forward to seeing you at Camp in February 2023!!
