President's Update

Kia ora APODC whanau,

This month we are doing something a little different for our APODC Education Series. To celebrate NZSL Week (8th May - 14th May) we are hosting a full day NZSL event open to the whole family. Several NZSL tutors have come together to help create an immersive day including Deaf Deaf World and fun NZSL games for all ages.

Our Annual General Meeting (AGM) will be held online on Tuesday 30th May this year and we hope you will join us as to have your say on our committee nominations and other important topics. As we prepare for our AGM it's a great time to reflect on the generous support that makes it possible for us to run our events for our whanau. I want to take this opportunity to say an overdue thank you to the NZSL Board for their generosity. It was because of the NZSL Community Grant that we were able to make camp a reality. Don't forget to check out the beautiful photos captured by our photographer Keethan Sundar - [Click Here to view](#).

Lastly, we are updating our systems and we need your help to confirm your information. Check out the **In other news** section of our newsletter to find out more about what we're doing, why we're doing it and what it means for you.

APODC Connect

NZSL Family Day

Date: Saturday 13 May

Time: 10am - 2pm

Location: Auckland Deaf Society, 16 Hillsborough Road, Three Kings, Auckland 1042

If you are interested in learning, practicing or just enjoying a day of New Zealand Sign Language, this is the event for you!

The day will start with the fun and immersive Deaf Deaf World where you will participate in 'pretend' shops and have a conversation with NZSL tutors. In the afternoon there will be games for all ages that will allow you to use and enjoy the beautiful language of NZSL. Lunch will be provided.

[Register](#) before Friday 5th May if you would like to attend.

SAVE THE DATE

APODC AGM 2023

Annual General Meeting (AGM)

The Auckland Parents of Deaf Children Committee will be hosting our Annual General Meeting online on Tuesday 30th May. We will present our annual report and offer you the opportunity to vote on important matters. We will share more details, including the link for the video call, closer to the time.

Committee member nominations are open

Would you like to apply to become a committee member or nominate someone else? You can!

If you would like to nominate yourself, or someone else, just click on the link below where you will find the nomination form, eligibility criteria and more about what it means to be a committee member.

We are improving our systems...

As we welcome more and more families each month we need to ensure that our systems can grow with us so we can continue to offer valuable experiences for all our members.

What are we doing?

We have a project underway to maximise the potential of our Customer Relationship Management (CRM) system. With the help of Vega Works, our CRM provider, we are going to check and update the membership information currently stored in our database.

Why are we doing it?

- **Tailored to you** - We want to offer support and events that can be tailored to our members. In order to do so we need to be confident that the information we have is accurate. For example, correct address information will help us to plan events in suitable locations.
- **Less admin, more fun** - By better utilising our CRM we can spend less time on administrative tasks and more time creating events, offering support and seeking out resources for you and your family.
- **Growing our community** - Having a robust system that is fit for growth means that we can reach more

families across Auckland and build a community of support across the city.

What does this mean for you?

You will receive and email asking you to confirm or update your information, including (but not limited to) name, date of birth, address, ethnicity etc. All data will continue to be gathered and stored in line with our data and privacy policy. Please keep an eye out for the email, it should only take you a few minutes to review and update your information.
